

The 2010 Diane Rogers Kin Pride Award

This year the award is open to all members regardless of experience; it is designed to ensure that new Kin not only learn about their glorious past, but to also learn where and how to find answers to be a better informed member. To complete this award in full, you should have access to the Kin website and others such as CCFF, Kin materials such as the Club CD, Membership Video, Cross and Square, various historical documents as well as recent publications of Kin Magazine.

This award is not designed to be easy, and to all those who attempt to locate the answers, our most sincere congratulations. One point will be awarded for each correct answer. There will be no deduction for wrong answers, and half marks for some answers. In the case of a tie, the application received first at Kin HQ will determine the winner.

Those who submit their awards will receive a commemorative badge add-on at the District Conventions, and the winner and runner-up will be named at National Convention in Halifax, 2010. Once again, please accept our congratulations for your efforts!

You may ask anyone for the answers except the following; all Kin Canada HQ Staff, L.M. Diane Rogers, H.R.F. and L.M. Doug Anthony, H.R.F.
