

# Petition to the Parliament of Ontario

## In Support of an On-Line Organ Donor Registry

**Whereas** one person in Canada dies every 3 days waiting for an organ transplant and over 1,600 Ontarians are on a waiting list for organ and tissue donations;

**Whereas** organ donor registrations in some jurisdictions are as high as 80%, but Ontario lags far behind at 17%;

**Whereas** Ontario's antiquated organ donor registration process still requires forms to be mailed in or personal attendance at Service Ontario health card offices;

**Therefore, we the undersigned**, petition the Parliament of Ontario to call on the Minister of Health to immediately implement the Resolution tabled by Newmarket-Aurora MPP Frank Klees that calls for the creation of an On-line Organ Donor Registration link on the Service Ontario website that would enable people to register as organ donors using their OHIP number:
