

# Zone Cystic Fibrosis News

Fellow Kin,

My name is Paula Mayer, I am the C.F. Director for the Kin Club of Valley East. I have been approached by District C.F. & Service Director Bob Fadock to represent you as the Zone C.F. Rep. That is the reason for this letter.

Just to give you a little background about myself;

I was a Charter member of the Kinetite Club of Walden, I have held all executive positions in that Club including Zone Kinetite D.G. and Zone C.F. After the Walden Kinetite's folded I was out of Kin for about 7 years.

I am now back and a member of the Kin Club of Valley East.

Just this week I made the commitment to represent our Zone as C.F. Director. I have not receive any training information from District as of yet. But hope to have some material soon.

As a commitment to my Club, these are my goals I set out at the beginning of the year "to have a monthly news/info sheet for the Club bulletin and to continue with the "Yellow Brick Road" again this year."

All Clubs have different needs, commitments and ideas so in the near future I will be contacting all Club presidents for their C.F. Director information and their goals for the year.

I have included the last newsletter I submitted for my Club bulletin and will keep them coming on a monthly basis.

I am looking forward to visit your Club and share my information with you all.

Yours in Kin,  
Paula Mayer
