

## Zone B

# Cystic Fibrosis Report

Happy New Year to all.

I only start my C.F. journey for the Zone in the middle of November, so I have not been able to make any Club meetings as of yet. December is such a busy month. I have however met with each Club President, introduced myself and asked to meet with them in the New Year. I hope to have these visitations done in February after Mid Term so I can take the information I learned back to my Clubs.

I have been sending monthly C.F. newsletters to the Clubs since November. I am hoping to give them information that they will not be sent in the CCFF Newsletter. In the Dec. Newsletter I put an article about a C.F. patient that has her Dreams Come True and overcame all obstacles. With the Olympics just around the corner I thought it was an appropriate article.

I am also hoping to do the donation cheque presentation at my official visit. So that pictures can be taken to show the Clubs recognition for their bulletin, scrap book or even their local news paper.

I'm looking forward to meeting the C.F. team of 2009- 2010.

Yours in Kin,  
Paula Mayer
