

District Leadership Seminar

MISSION STATEMENT

The Mission of the District Leadership Seminars shall be to develop quality leadership within the Association capable of developing and supporting our member clubs, so that they may be effective and active in their furthering of the Mission Statement of the Association.

OBJECTIVES

- 1) To provide the tools and training needed for leaders to develop the skills necessary to fulfill their roles effectively.
- 2) To focus on the operational, rather than the philosophical aspects of clubs.
- 3) To nurture a positive attitude among all leaders in order that they may do the same throughout the Association.
- 4) To create a network of leadership in Kin at all levels of the Association in order to facilitate ongoing peer support, skills development and leader mentoring.
- 5) To ultimately make clubs stronger and more relevant through more effective [district] leadership, so that they may in turn promote and grow Kin Canada, and create a positive difference in communities throughout Canada.
