

## **Zone B Cystic Fibrosis Update**

**February has been a very good month. At the beginning of February we had a Zone Inter-Club Dinner Meeting. There was representation from all Clubs.**

**President Dave from the Sudbury Club chaired the meeting. The agenda consisted of Governor Ed, Membership Director Jeanine, District C.F. Rep Bob and myself as Zone CF., and a member of each Club gave a status of their Club. Kin Bob spoke on C.F. and I spoke on Service. If any of your Zones have the opportunities to get together like this do it. Everyone had a great time and we were able to address several different visits all in one night. This is the second meeting that our zone has done this year and hopefully not the last.**

**I will be visiting all 3 Clubs in the next couple weeks. I am proud to say Walden has already given their C.F. donation to me and I will be doing a cheque presentation at their next meeting.**

**April 17<sup>th</sup> is our Spring Zone the Kin Club of Valley East will be hosting this year.**

**On May 1<sup>st</sup> Sudbury Kinsmen will be doing their C.F day. They have a BBQ and sale paper daisies at a local business.**

**The following weekend the Kin Club of Valley East will be doing the Yellow Brick Road again this year.**

**Paula Mayer**

**Zone B C.F and Service**
