

Fellow Kin,

Here we are in March, only a couple of months left in the kin year. Have you thought of a C.F. Fundraiser or your Clubs C.F. donation?

I have been surfing the C.F. web site, face book site and all CF info I can find. I came across this article in the CCFE Candid Facts that are mailed out quarterly to all Clubs.

One Dime at a Time

The Foundation is busy developing a special four-year fundraising campaign with Kin Canada, scheduled to launch in 2010!

The campaign, *One Dime at a Time*, asks Kinsmen and Kinettes to save their dimes in specially designed plastic crates for four years. *One Dime at a Time* is expected to raise more than \$1 million in support of the work of the Canadian Cystic Fibrosis Foundation.

In addition to raising much-needed funds, the campaign will build excitement for the 50th Anniversary of the Foundation's special partnership with Kin Canada in 2014. Since 1964, Kin Canada has raised more than \$37 million for the fight against cystic fibrosis.

More information about *One Dime at a Time* will be available early next year on www.kincanada.ca and www.cysticfibrosis.ca. Stay tuned! ☺

I would like to put a Challenge out to all Clubs in our Zone.

This is a four year challenge where all Clubs in our Zone participate. Starting this year 2010, and until 2014. Let's see how much money we can raise together **ONE DIME AT A TIME**.

I will be visiting our Clubs this month and will be bringing a container with me for each Club. S.S.M. Kinsmen I will be sending your container to C.F. Bob as he is looking after your Club for me.

Yours in Kin,
Paula Mayer
