

October 22, 2010

Fellow Kin of District 8,

By now most clubs should have met; struck their budgets as well as their agendas, and scheduled their service projects for the year.

Fall Leadership Conference (FLC) is coming up on the weekend of November 12-13<sup>th</sup> and the Kinsmen Club of Barrie have been working very hard to ensure you are well looked after while at this conference. We will be visited by the National President, National Vice-President, National Director as well as a Key Note Speaker, guest speakers and presenters. I would like to encourage as many of you as possible to attend. Seminars have been scheduled and we have allotted enough time for every member to attend as many seminars as they would like to. Remember this is YOUR FLC - we are the conduit to which you can learn and help make you club stronger in the community.

At FLC your Deputy Governor will receive a hard copy of the TRAVELLING KIN for District 8. This will provide information on all clubs in the District and who to contact. This is a valuable tool as it gives you information about other clubs that are not in your Zone. It will also be posted on the District 8 website for your use.

We are continuing to have monthly conference calls with the District council. Your Deputy Governors are doing a fine job and they are representing your clubs and zones exceptionally well.

Our Service Director and Membership Director are working hard with your Deputy Governor to ensure that their programs are being presented during their clubs visitations. Look for exciting updates at FLC.

We have a strong and vibrant District with many experienced Kin, and there are many people that we / you can learn from, so please don't be afraid to ask questions or ask for assistance.

Looking forward to seeing as many of you as possible at FLC in Barrie on November 12-13<sup>th</sup>.

Yours in Kin,

A handwritten signature in black ink, appearing to be 'Len Ptak', with a long horizontal line extending to the right.

Len Ptak  
Governor  
District 8 2010-2011
