## **Welcome to Spring Conference**

Bob & Steve welcome you to your Spring Conference.  
We are attempting to get out to all the conferences.  
If we are not there your zone Service director will conduct all service business.

One thing you might be asking yourself is why I'm referring to Service and not CF & Service directors. That's because we will be officially changing the name. All but two districts and the CF foundation already refer to us as service directors.

This does not mean that CF is not our number one service project. IT IS and ALWAYS WILL BE.

There also will be changes nationally were a National Service Director will be appointed or elected and may be a two year term.  
This is to be in line with Vision 2020 to become again the number one service organization in Canada.

We are at your service is what Kin Canada has and will be built on for today and in the future.

Look forward to see you at Spring Conference

Yours in Kin

Bob Fadock &  
Steve Lowe  
District Service Directors
