

Letters of Support for
Kin Steve Lowe

Family of Kin;

It is my honour to forward an endorsement for Past Gov. Steve Lowe's campaign for the position of National Director.

I have known Steve for several years now but have really gotten to see the "go get it" attitude over the past couple of years as a part of his District team. His dedication to the family of Kin is unrivaled.

His most recent and most esteemed award is the Outstanding District Award. This award is not taken lightly nor is it easy to accomplish. It is recognition for the service and direction he has provided for the family of kin in District Eight.

As a member of the National Board of Directors Kin Steve will be responsible to ensure the success of the whole of Kin Canada, a job he will not take lightly. Kin Steve took District 8 and led it with pride, focus, and diligence to get the job done to the best of his ability, and it paid off.

Kin Steve's experience at the district level has prepared him to do a great job as the national director and I feel that he will represent District 8 and our Associations best interests very well.

Therefore, I fully put my support behind Kin Steven Lowe for National Director.

Yours in Kin,

Jeanine Bolger

District 8 Membership Director

Dear Fellow Kin,

It is my honour to have been asked to provide a letter of recommendation for Kin Life Member Steve Lowe, in his pursuit of the position of National Director for Kin Canada. As a past Governor of District 8 and a 20 year member of Kin Canada in Zone Durham, I have had the privilege of working on many District and Zone executives with Life Member Steve.

Life Member Steve, as a second generation Kin, has a vast knowledge of the history of Kin. He is proud of his Kin heritage and his family's involvement in Kin. As an active member of the Kinsmen Club of Oshawa, and a respected member of the Oshawa business community, Life Member Steve has been pursuing his love of community service for 30+ years.

At the club, zone and District levels, Life Member Steve has shown an ability to work well with his fellow Kin and has proven himself to be a forward thinker and achiever. He has been on several award winning District teams, actively participating in keeping District 8 in the forefront of innovative programs. Most recently, Life Member Steve has completed his year as District 8 Governor, leading our District to winning the outstanding National Award. I believe it takes an outstanding leader to guide his team towards excellence and Life Member Steve has proven his ability to do this.

It is my opinion that he would be an outstanding addition to the National Board in the position of Director. His proven record of excellence in all aspects of his Kin life and his business life would make him an asset to any team. Again, it is an honour for me to submit my personal recommendation for Kin Life Member Steve and I firmly believe he is more than capable of doing an excellent job for both our District and for Kin National.

Respectfully yours,

Kin Life Member Charlotte Stephenson
Past Governor District 8 (1999-2000)
President Kinette Club of Bowmanville

VOTE
STEVE LOWE
FOR
DISTRICT 8
NATIONAL
DIRECTOR

2010 – 2011

Message from Kin Steve Lowe:

Welcome everyone to Spring Conference. I am sure your Deputy Governor has a great day planned for everyone.

So why do I want the position of National Director?

I believe with the continuum of Kin stepping up as we are putting the fellowship and excitement back into

The Kin Family.

I believe in this association and the great work its clubs do in their communities throughout Canada.

I believe in Vision 2020 that when we all work together towards unified common goals we can achieve anything we put are efforts towards.

Having completed my term as Governor of District 8 in 2008-2009 and attending all conventions the past several years; I feel I can contribute and communicate the issues that face Kin across Canada.

I believe that strategic planning that I have been involved in with District 8 the last 4 years can be helpful and that I can be productive as a member of the National Board to move forward this great association for years to come.

Hope everyone has a great weekend and please feel free to come and ask me any questions that you or your clubs may have.

Yours in Kin

Steve
