July 23rd, 2010

June has come and gone and District Convention; although poorly attended, was a success for both Past Governor Ed Dawson and the Kinsmen Club of Mississauga.

On behalf of the members of District 8, I would like to thank Past Governor Ed for his commitment to Kin and District 8.

Further congratulations to in-coming Association Director elect Steve Lowe and Vice-Governor elect Kathy Alexander - we look forward to working with you in the upcoming Kin year.

District 8 has a full slate of Deputy Governors and Service Reps to assist all clubs with growth and membership as well as service projects they have planned for the upcoming year.

Our District Executive has been working hard behind the scenes and has had a face to face meeting as well as a teleconference with all the Deputy Governors within the last week; and YOUR Deputy Governors are working hard to ensure all clubs have been installed before Fall Leadership.

Our plan is have a newsletter every month to keep you informed as to what is happening in your District. I would encourage each member to visit the District website and review all information.

I would also like to strongly suggest that we as a DISTRICT work harder at competing for Zone / District and National awards. If you have any questions, please speak with your Deputy Governor or District Awards Director Past Governor Ed Dawson.

As mentioned throughout our campaign (the District Executive) are available for all functions. A simple telephone call or email with a little bit of advance notice and we can come to your event and support you and your club `100%'.

If you have an opportunity to come to National Convention, don't forget Halifax August 23-28, 2010.

Fall Leadership Conference will be in November this year; with details to follow shortly. Look for a new format with interesting Kin, personal and professional developments sessions during this fun weekend.

Have a safe and relaxing summer and I look forward to seeing you in the very near future.

Yours in Kin,

Len Ptak
