

From the Zone Membership/Service Director

First off I hope each club as a membership director. Also I would like to encourage each club to hold a membership drive. I would be more than willing to come out and speak to your club and help with any membership drives you are interested in holding. As of Oct 31st Zone Durham is constant at 88 members. I know that we are going to grow by one as the Ajax Club as a new member. At National it was reported that for the first time since the early 70's we have achieved a positive membership growth of one member. It finally seems we are in a growth mode. It will take all of us to keep this going. I applaud all the clubs for making growth a priority.

From the Service Side

Times they are a changing. This year will see the new CCFF logo launched.

Kin is also starting a new project to celebrate our 50th anniversary of partnership with the CCFF.”.

One Dime at a Time

Beginning in 2010, the members of Kin Canada will participate in a special four-year fundraising campaign called ‘One Dime at a Time’. Kin members will collect and save their coins in specially designed containers until 2014 – the 50th anniversary of the Kin-CCFF partnership. This project is expected to raise \$1 million which will be presented to the Foundation (along with their other fundraising donations) as a special 50th anniversary gift.

I will be looking into supplying the container for each club. I can’t stress this enough the money collected in these containers for this special project **DOES NOT COUNT TOWARDS YOUR ANNUAL CF DONATION.**

National has a new project coming our way “The Portraits of Honour” This is a very big undertaking and is one of the most important things to come out of National in years. Past National President Bruce Lloyd will be heading up this project. If you want any information on this please go to the kin Canada national website and click on the link to the Portraits of Honour and the video is well worth watching.

Please feel free to contact me at anytime.
