

**Welcome to Zone I  
Spring Zone**

**I am pleased to have the opportunity to come to Durham to enjoy the wonderful hospitality you are renowned for. Kin are known far and wide for their warm welcoming and sincere from the heart hospitality.**

**I commend DG Gary Gornik for the excellent job that he is doing and I hope that the commitment and friendship among Kin in Zone I continues to flourish and that those within the zone continue to support DG Gary. Look around when at your next club's meeting and take a moment to think of someone you can invite out to enjoy the fellowship within Kin that You have enjoyed all these years. Thanks and Congratulations to the clubs that have brought in new members. Thanks for sharing yourselves and the Great Association of Kin, remember we are all Family in Kin.**

**There has been a change as to where District will be held this year. Due to unforeseen circumstances we have had to move the location and the details to finalize the move are to be done this week, every effort is being made to keep the cost as reasonable as possible so as to encourage more participation. I encourage each and every club to send representation to District—it is at District that your voice and input can be heard—and only by good attendance can we change and flourish.**

**Yours in Kin, Governor Ed Dawson**
